MANUFACTURING INTEGRITY

CERAMIC STANDARDS

CFrank Enterprise supplies vitreous china sanitary fixtures and plumbing hardware selected for lasting service in residential homes, luxury hotels, and commercial developments. Fired at over 1,200 degrees Celsius, our ceramic bowls achieve an ultra-smooth, non-porous finish that resists staining, bacteria buildup, and chemical discoloration.

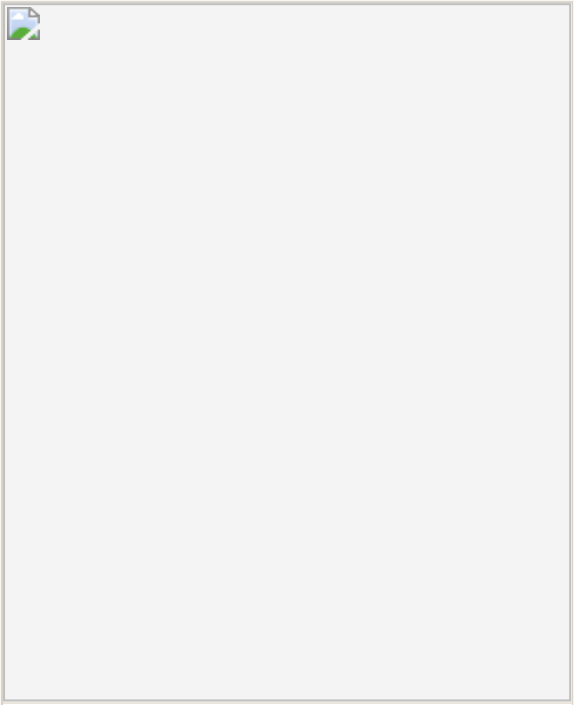

HYDRAULIC FLUSH PERFORMANCE

- Silent Siphon Jet: High velocity flush clears waste efficiently with reduced water consumption.
- Anti-Bacterial Glaze: Ultra-smooth surface prevents lime scale adhesion under varied regional water conditions.
- Heavy-Duty Soft-Close Hardware: Durable UF seat covers prevent slamming and hinge fatigue.

TOILET SUITES

EXECUTIVE & CONCEALED WCS

EXECUTIVE GOLD WC
Polished gold electroplated ceramic with concealed trapway and silent flush mechanism.

CONCEALED WALL-HUNG WC
In-wall cistern mounting for minimalist floor clearance and easy bathroom cleaning.

BLACK & GOLD CONTRAST WC
Matte black porcelain body accented with high-gloss gold trim. Dual flush actuator.

VIRONY DUAL-FLUSH WC
Heavy-gauge vitreous china with water-conserving dual flush system.

VANITY & DINING VESSELS

DESIGNER WASH BASINS

MASTERS DINING BASIN
High-capacity countertop vessel designed for luxury dining and master vanity suites.

INDIA DESIGNER BASIN
Sculpted geometric contours with integrated overflow and anti-splash inner bowl.

DINING ROOM BASIN
Smooth high-gloss vitreous glaze suited for marble and granite vanity slabs.

HANGING WASH HAND BASIN
Space-saving wall-mounted configuration ideal for compact powder rooms.

ENCLOSURES & HYDRO-TOWERS

LUXURY SHOWER SYSTEMS

Engineered for optimum water velocity and leak-proof sealing, our shower series pairs certified tempered safety glass with corrosion-resistant framing and multi-function pressure towers.

CUBICLE SHOWER ROOM ENCLOSURE
8mm tempered architectural safety glass, anodized aluminum frames, and magnetic watertight door seals.

HYDRO POWER SHOWER TOWER
Multi-stage system featuring overhead rainfall plate, high-pressure body jets, and handheld brass wand.

KITCHEN SINKS & SOLID BRASS FAUCETS

SINKS & BRASSWARE

GOLDEN SINK ITALY
Brushed gold nano-coated stainless steel with sound-insulating undercoating.

PIONEER SPECIAL SINK
Heavy gauge double bowl stainless steel with high-capacity drainage channels.

BIG BROTHER TALL FAUCET
Solid brass pillar mixer with ceramic disc cartridge for smooth temperature control.

BIG BROTHER SWIVEL TAP
Flexible neck kitchen mixer with dual aerated stream and spray modes.

HOTEL & MULTI-UNIT FIXTURES

COMMERCIAL PRO SUITES

PRO WC SERIES
Engineered for commercial buildings, schools, and high-traffic public installations.

V-STAR MEDIUM PRO
Compact profile toilet with reliable dual flush valve and quick-release seat.

V-STAR CROLA WITH BIG BASIN
Matched bathroom combination featuring full-pedestal basin and toilet suite.

PLAIN INDIA BASIN
Pure white minimalist surface vessel designed for clean modern interiors.
